RESOLUTION

Purpose & Scope (Minnesota Law)

In accordance with Minnesota Statute 254B.05, subdivision 1(d)1, which requires Recovery Community Organizations “be free from conflicting self-interests, and be autonomous in decision-making, program development, peer recovery support services provided, and advocacy efforts for the purpose of supporting the recovery community organization's mission,” it is the policy of **REVIVE RECOVERY** to prohibit situations in which its operations or financial arrangements:

- Materially benefit another organization or individual affiliated with **REVIVE RECOVERY**, such as ownership in a for-profit treatment provider or using Medicaid vendor eligibility to generate revenue for another organization;
- Create a referral relationship that financially benefits one treatment provider or vendor to the exclusion of others; or
- Give any individual or entity undue influence over **REVIVE RECOVERY**’s governance, operations, or the “all pathways” approach to recovery support.
