r Laura M. on 12/21/24,
believe we need to keep the account 2850 interest payable as
is due to Frank, however there is a payment that Frank made
himself on 9/18 which we should move to Due to from Owner
that is a separate payment to himself unrelated to notes #1
d #2. Notes #1 and #2 won't be paid until 2025. I attached
e detail of that account and we should add a JE to Credit Loan
. and Debit Due to/from Owner. He made a number of deposits
the company in Aug and Sept and when I asked him about
e 2k payments he said it was for those"
